## News Release

### **i<sup>2</sup>STAR and Six Flags Great Adventure launch 'Alcatraz, The Ride'<sup>TM</sup>, a state-of-the-art, fully immersive experience**

Jackson, NJ -- i<sup>2</sup>STAR and Six Flags Great Adventure announce the grand opening of **Alcatraz, The Ride<sup>TM</sup>**, an immersive, thrilling, fully-interactive simulator attraction. **Alcatraz, The Ride<sup>TM</sup>**, now open daily, is located in the Boardwalk area between *Superman – Ultimate Flight* and The Great American Scream Machine. Amber beacons guide the way.

**Alcatraz, The Ride<sup>TM</sup>** immerses each Hel-Jet (combined helicopter and jet) crew, consisting of one pilot and three gunners, into an action-packed mission to save the San Francisco Bay Area from an invasion by alien spacecraft. The Hel-Jet employs advanced military simulator technology and advanced digital imaging systems coupled with motion-base technology to provide a unique, fully interactive and dynamic experience that allows pilots/gunners to control the action: maneuver, hover, evade, engage, attack, and destroy.

Riders can avoid detection and invade aliens by utilizing the full flight envelope of the Hel-Jet to mask within the city of San Francisco. They can employ novel flight tactics by engaging the aliens from a single Hel-Jet or fight together as teams by coordinating attacks with the other Hel-Jet crews. It is **More Than a Ride... It's a Mission!** ®
