(Eatontown, NJ) July 28, 2006 – D&S Consultants, Inc. (DSCI) today announced that it has been awarded a contract (Schedule 871) by the General Services Administration entitled “Professional Engineering Services (PES.)” The contract has a base period of performance of 5 years, plus three (3) option periods of five (5) years for each option period. PES was established by the GSA to provide Federal, State, Local, and UN agencies with solutions for their various engineering requirements and allow those agencies to procure needed services/solutions.

DSCI’s PES award schedule/contract grants all Federal, State, Local, and UN agencies worldwide direct access to DSCI’s engineering expertise across the full life cycle of engineering projects.

“This long term contract will provide DSCI’s customers with a stable, convenient, efficient, and cost-effective alternative to standard Indefinite Delivery, Indefinite Quantity (IDIQ) mechanisms” said DSCI’s Chief Executive Officer, Steven A. De Chiaro.

About DSCI:

DSCI, founded in 1992, is a rapidly growing, employee owned, corporation providing **SMART** solutions (engineering services and products) to complex problems within the Communications, Command, Control, Computers, Intelligence, Reconnaissance, and Surveillance (C4ISR) space. DSCI has facilities in Eatontown, NJ; New Brunswick, NJ; Columbus, OH; Somers, NY; San Antonio, TX; Huntsville, AL; and Aberdeen, MD, as well as international locations in Germany and Italy.
