(Eatontown, NJ) August 4, 2006 – D&S Consultants, Inc. (DSCI) today announced that it has been chosen by the New Jersey Business & Industry Association to receive a 2006 Award for Excellence in the *Enterprise* category. The award, to be presented on October 17, 2006 at the Hilton East Brunswick, recognizes DSCI for its significant growth resulting in the creation of many high technology jobs.

"This award is a direct result of DSCI's workforce; through their imagination and innovation we are discovering new horizons by inventing disruptive technologies" said DSCI's Chief Executive Officer, Steven A. De Chiaro.
